INTRA-LABORATORY MEMO

Received: April 13, 1977

TO: CHR Records Room

FROM: Jan Lieben, M.D.

SUBJECT: Exhumation of _____

April 5, 1977

1. After several unsuccessful phone calls to the Harris funeral home to obtain the name of the Monsignor in charge of the Holy Sepulcre Cemetery, who allegedly was blocking the exhumation of I called the Diocese of Rochester. I learned that the Rev. Monsignor James McAniff was in charge of the cemetery, phone 716-232-2422, and that the lay person was Mr. Vogt.
2. I called Monsignor McAniff for an appointment and visited him on April 5, 1977 at St. Mary's Church, 15 South Street, Rochester, New York. I explained the program to him—he appeared interested and cooperative. He wishes to discuss matters with his (the cemetery's) lawyer and the board and will let us know.

Apparently this seemed to have been more a problem of communications than anything else. At least, let us hope so.
